The championship match will be a best-of-5 format. The order of the game modes played will be:

1. HARDPOINT
2. SEARCH AND DESTROY
3. CONTROLS
4. HARDPOINT
5. SEARCH AND DESTROY

Map and Side selection for each match will be determined through a "picks and bans" veto process. The upper bracket winner will have one (1) map

advantage and will decide whether to be Team 1 or Team 2 in this process.

i. VETO PROCESS FOR BEST OF FIVE

Once a map has been banned or picked from the map pool, it cannot be selected again. The process for stage 4 and 5 will be as follows:

j. BAN PHASE

- Team 1 bans one (1) map from the Map Pool.
- Team 2 bans one (1) map from the Map Pool.

HARDPOINT PICK PHASE:

- Team 1 picks a map from the remaining maps in the map pool to be played in game 1.
- Team 2 picks the side they wish to start on in game 1.
- Team 2 picks a map from the remaining maps in the map pool to be played in game 4.
- Team 1 picks the side they wish to start on in game 4.

SEARCH AND DESTROY PICK PHASE:

- Team 2 picks a map from the remaining maps in the map pool to be played in game 2.
- Team 1 picks the side they wish to start on in game 2.
- Team 1 picks a map from the remaining maps in the map pool to be played in game 5.
- Team 2 picks the side they wish to start on in game 5.

CONTROL PHASE:

- The remaining map from the map pool will be played in game 3.
- Team 2 picks the side they wish to start on in game 3.

k. TECHNICAL ISSUES

- If a player disconnects within the first thirty (30) seconds and/or before

the first kill, the game should be ended. All players must leave the game and restart the game.

- If a player disconnects after the first thirty seconds (30) and/or the first kill, the game must be continued and the disconnected player should rejoin the game. If the team with the disconnected player leaves the lobby, their team may forfeit the game in question. The CODM committee reserves the right to make the final decision in any disconnect situations.
- If technical issues prevent a match from being completed, the match will be rescheduled.
- In the event that lag occurs, the game should be completed. Player(s) that are experiencing lag should take video proof, and provide it to the CODM committee after the game has concluded. If lag is occurring, it is recommended that multiple players provide proof of the lag. Leaving the game prematurely may result in a forfeit of the game.

I. DISQUALIFICATIONS

- Cheating or exploiting game glitches. Players who move their character outside of the normal boundaries of a map will forfeit the game. Moving outside of the normal boundaries of a map includes but is not limited to part of the character's body passing through what should be a non-permeable surface or object, and moving into any area from which a player's character registers shots on an opponent who is not able to register shots on the player's character.
- Use of unauthorized third-party software or hardware.
- Misconduct or inappropriate behavior towards other players or tournament staff.
- Deliberate and repeated team killing or committing suicide on purpose to gain an advantage will result in a forfeit of the game. If a team is accused of violating this rule, the accuser must provide valid video proof. Complete the match and then report the outcome.

m. CODE OF CONDUCT

- Treat other players and tournament staff with respect and professionalism.
- Refrain from using any form of hate speech, harassment, or discrimination.
- No trash-talking.
- Be on time. Failure to come at the designated time means disqualification from the said match.
